

## Fittings

- Our custom Fittings allow you to expertly configure your cable route.
- Designed to fit snugly on the molding, these Fittings discourage vandals.

## Ordering Information for Fittings

- Fittings are ordered by the piece. Please call us at 1-800-222-2142 to discuss what Fittings will work best for your cable installation configuration.
- Use two letter suffix to designate color when ordering. For example:  
**OC050RW** = 1/2" Redwood Outside Corner  
*Please see color chart below for two letter suffixes*

| Molding Color | Two Letter Prefix |
|---------------|-------------------|
| Ivory         | IV                |
| Redwood       | RW                |
| White         | WH                |
| Brown         | BR                |
| Light Gray    | LG                |
| Dark Gray     | DG                |
